

CLASSIC WINTER SKEET POST SEASON SHOOT

The 2014 Black Ash Classic Winter skeet league finished up on March 29, 2014. It turned out to be a mild, partly sunny day...perfect for skeet shooting and comradery. The rain held off most of the day, not getting serious until the final rounds and shoot offs.

Besides the post season skeet rounds the trap field was open as well as the hand gun/22 rifle adventure trail.

At the post season banquet of steak, potatoes, beans, cole slaw and pie, the final scores with handicap were calculated and awards distributed.

The champion trophy for high average during the regular season was accepted by Chuck Isaac of New Castle with a score of 198 out of a possible 200. Runner up was Chris Gibbs of North Bloomfield, Ohio with a score of 190.83. The junior champ with a score of 185 was Brad Schweitzer of Corry.

All 11 junior shooters received a special prize of a Bob Allen range bag. We enjoy the junior shooters and hope they find that skeet and the Black Ash Sportsman Club is something they enjoy and can make a life long pursuit. After the handicap the high junior shooter was Mike Ziegler of Tidioute with a score of 221.

Shooters were divided into four classes of about 17 shooters each based on their season averages. Four prizes were awarded in each class and the results were as follows:

“A” Class

Brad Schweitzer 212
Rich Gaw 210
Dick Best 210
