

Black Ash Classic Winter Skeet
Post Season Shoot and Banquet
March 26, 2016

The Black Ash Sportsman Classic Winter Skeet league ended up on March 26, 2016 with 69 shooters finishing. The weather this year was fairly mild for the season. The post season shoot, today, could best be described as balmy! There was a great turnout even though it was Easter weekend. Thank you all for supporting the Black Ash Sportsman Club.

Handicaps were calculated and scoring and shootoffs completed with the following results announced during the post season banquet . The six junior (under age 16) shooters received special recognition and a Boyt Shotgun soft case..

Shooters were divided in to four classes based on their handicaps with prizes of ammunition awarded to the top four in each class.
