We had a nice warm day to shoot this month with 70 shooters shooting 125 competition rounds. There were two perfect scores both Pistol Cartridge Carbine Class. Great shooting Dan and Rich!!

In case you're wondering the F next to your name means you won a free shoot !! Each month we randomly select a number shooters for a free shoot. The number awarded is based on the total competition rounds shot that month. We also try to make sure they go to someone who hasn't won recently.

Just a note, please put your name on your score cards, it helps us confirm when we're entering the scores that we are entering the score for the right person.

See you August 28th at the next shoot.

Be Safe, Your BAHAT Team
